Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like offering items that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and needs together with their knowledge of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When required, the staff members within TREK and its numerous dealer members in both parts and in technical support would be available. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machine that eventually reduces your cleaning cost. The product, the price and the service all work together to make them the leader in the industry.
