

Fork Mounted Sweepers

Fork Mounted Sweeper - This accessory truly makes industrial sweeping jobs much easier to do. The versatile lift truck mounted broom is meant for use with either wet or dry material clean ups. It can squeegee water and push snow effortlessly. This accessory is usually utilized so as to clean debris from docks, parking lots, warehouses, construction sites and practically wherever it is required. The forklift sweeper is a low maintenance attachment which uses quick-tite blade products to effortlessly mount to the lift truck.
